

# The Native Sun

1950 South Ocean Blvd., Lauderdale-By-The Sea, FL 33062

May 1, 2020

Dear Owners,

Covid-19 Update: While you may have heard that parts of Florida are beginning a graduated reopening of commercial and recreational sectors, the closures and restrictions imposed by the state, as well as by Broward County, still remain in effect, with no specific date as yet given for when we may be allowed to reopen. Rest assured that the Board and staff are monitoring the situation on a daily basis, and have taken the initial steps to ensure that when the resort reopens, it can be done in a manner that follows all safety requirements and recommendations.

2019 Audit: We are pleased to announce that the Native Sun's accountants at Parks & Company, LLC, have completed the audit for calendar year 2019, and have found us to be in good standing, having met all requirements for fiduciary responsibly and generally accepted financial practices. The Board would like to extend its gratitude to our office staff of General Manager Anita Pearce, Bookkeeper Christina Rodriguez, and Rental Coordinator Debra Rachlen for their efforts. Thank you, staff! The audit documents will be posted on the Owners Page of the Native Sun website.

Once again you are asked to share this information with any owners who may not have internet access, and to encourage any owners who may not have received this to please submit their email address to: [rentals@nativesunresort.com](mailto:rentals@nativesunresort.com). Thank you.

Regards,

*Peter Cohen*
