## **Re: COVID-19 Restrictions**

Dear Owners,

The Board of Directors and Management have been carefully monitoring the latest information from the CDC, State of Florida and other government authorities, and we want to keep our owners abreast of recent changes made at the resort.

- All of our amenities are open. You will be able to use the Jacuzzi/spa and swim in our pool with no restrictions. You are also free to play tennis, shuffleboard, and use our grills and putting green.
- We will allow late arrivals, utilizing our key lockbox outside the front door, if you make arrangements in advance with our Front Desk.
- Our only restriction is posted on our Lobby doors, which reads, "If you are NOT fully vaccinated, you MUST wear a face covering/mask in our Lobby."

We hope this will assist you as you make future travel plans. Please note that our current policies are subject to change depending on future CDC and/or government restrictions and requirements, so we advise you to call our Front Desk in advance of your trip to confirm conditions for your arrival.

Thank you for your continued interest in the Native Sun Resort, and we hope to see you on your next trip!

Sincerely,

Management and  
Native Sun Board of Directors
